Oaktree Court

by Majesticare

“My mother is very happy and well cared for at Oaktree Court. All the staff are very friendly, helpful and understanding.”

Welcome to Oaktree Court

Oaktree Court is part of the award-winning Majesticare family of care homes. With over 20 years' experience in caring for older people we are proud to offer the highest standard of residential, nursing and dementia care in a warm and welcoming environment. We provide our residents with an engaging setting to socialise, dine, enjoy favourite activities and explore the beautifully landscaped gardens.

Oaktree Court is a vibrant and active community where residents are enabled to live life to the fullest. A community where older people are supported to carry on enjoying all the little things that make them happy.

Encouraging a high quality of life is at the heart of our culture and ethos at Oaktree Court. Our highly trained and dedicated team approach every day with professionalism and compassion, delivering a service that's unique to each individual's needs.

This is Oaktree Court. This is Care.

Lifestyle

At Oaktree Court we believe that life should be inspiring, fulfilling and entertaining. We offer a wide range of imaginative and inclusive activities. So whether that's pottering in the garden or enjoying a coffee and cake with new friends, there's something for everyone.

As active members of the local community, we welcome a variety of visitors to the home to share their enthusiasm, knowledge and experiences with our residents, their friends and families. Oaktree Court even has its own minibus, enabling residents to take trips to places they've long enjoyed visiting or to explore new destinations.

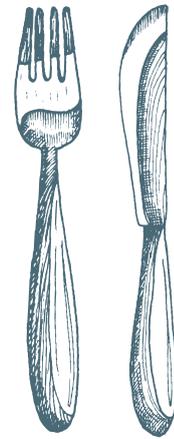

Our team know exactly how to provide a fun and engaging fitness and wellbeing programme too. And, of course, family and friends are welcome to join in.

Our food is freshly prepared and locally sourced where possible

Wine & Dine

Our catering and hospitality team deliver social and enjoyable dining experiences every day. Our skilled chefs create appetising, nutritionally balanced and beautifully presented food, with varied, seasonally inspired menus. We cater for every taste and diet, and our food is freshly prepared and locally sourced where possible.

Meals and refreshments are available to our residents and their guests throughout the day, whether in-room or in our dining areas, and there is always someone nearby to help if needed.

Beautiful Home & Gardens

When you step into Oaktree Court, it's like entering a warm and welcoming country retreat. Set in twelve acres of grounds originally planted as an arboretum, the home offers an extensive range of facilities including vibrant and bustling communal areas and a hair salon. And, for those quiet, restful times, our spacious bedrooms have been designed with a range of colour palettes to suit all tastes, whilst our in-room amenities include private phones, tea and coffee making facilities, TV and Wi-Fi access and many featuring a luxury en-suite wet room.

Our attractive, landscaped gardens have been expertly designed to create a tranquil and engaging outdoor space where residents can go for a quiet walk and enjoy the wildlife. There are also large patio areas to enjoy those sunny days and, for the green-fingered amongst us, an opportunity to do a spot of gardening.

"I can't say enough good things about the home. The care and compassion Dad received while living here couldn't be surpassed."

The Team

We are very proud of Oaktree Court, but without our truly amazing team it's just a building and not a home.

We have carefully selected a fantastic team who share our values and are dedicated to providing our residents with a high quality of life. They have been chosen for their professionalism, compassion and their attention to detail.

For us, the happiness and wellbeing of our team is paramount, and because of this we offer an engaging workplace, training and development opportunities and industry-leading pay and rewards.

“The staff, without exception, are attentive and kind and very good at making me feel comfortable.”

Our Values

Heart

Lead from the heart, be passionate and courageous

Creativity

Imagine, innovate, make it happen

Family

Grow, feel safe, nurture relationships

Happiness

Play, spend time together, have fun

Trust

Be honest and open, have integrity

Tailored Care

Residential

Living at home can be worrisome for you and your loved ones, be it challenges with household chores or simply feeling lonely. Our vibrant residential community empowers residents to maintain an active and fulfilling lifestyle with the comfort of knowing that 24/7 support and care is on hand when needed.

Dementia

People living in our beautiful memory care community can expect to remain curious, interested, active and empowered by good relationships with specially trained people who genuinely care every day - whether that is a good or a bad day. We are what we say we are: a skilled team with the knowledge and empathy to support people to enjoy life in a fabulous environment specially designed to enable those with memory loss to find their way around with the confidence of feeling loved, happy and safe.

Nursing

All residents have the opportunity to enjoy everything our fabulous home has to offer. We also recognise that in some circumstances your loved one may need an extra level of care. The specialist skills and expert knowledge of our team of registered nurses enable us to provide the support and reassurance needed every single day.

Day and Respite

Oaktree Court is perfect for shorter stays where you or your loved one can sample all the facilities of our beautiful home. Guests can enjoy our dining experience, take part in activities with new friends and indulge in a spot of pampering in our salon.

Our short-stay guests often return home feeling re-energised and, with so many regular events, they are always welcome to come back and visit. This is also an ideal way of trying the home prior to considering a permanent move.

All of our residents benefit from regular visiting GPs and other healthcare professionals.

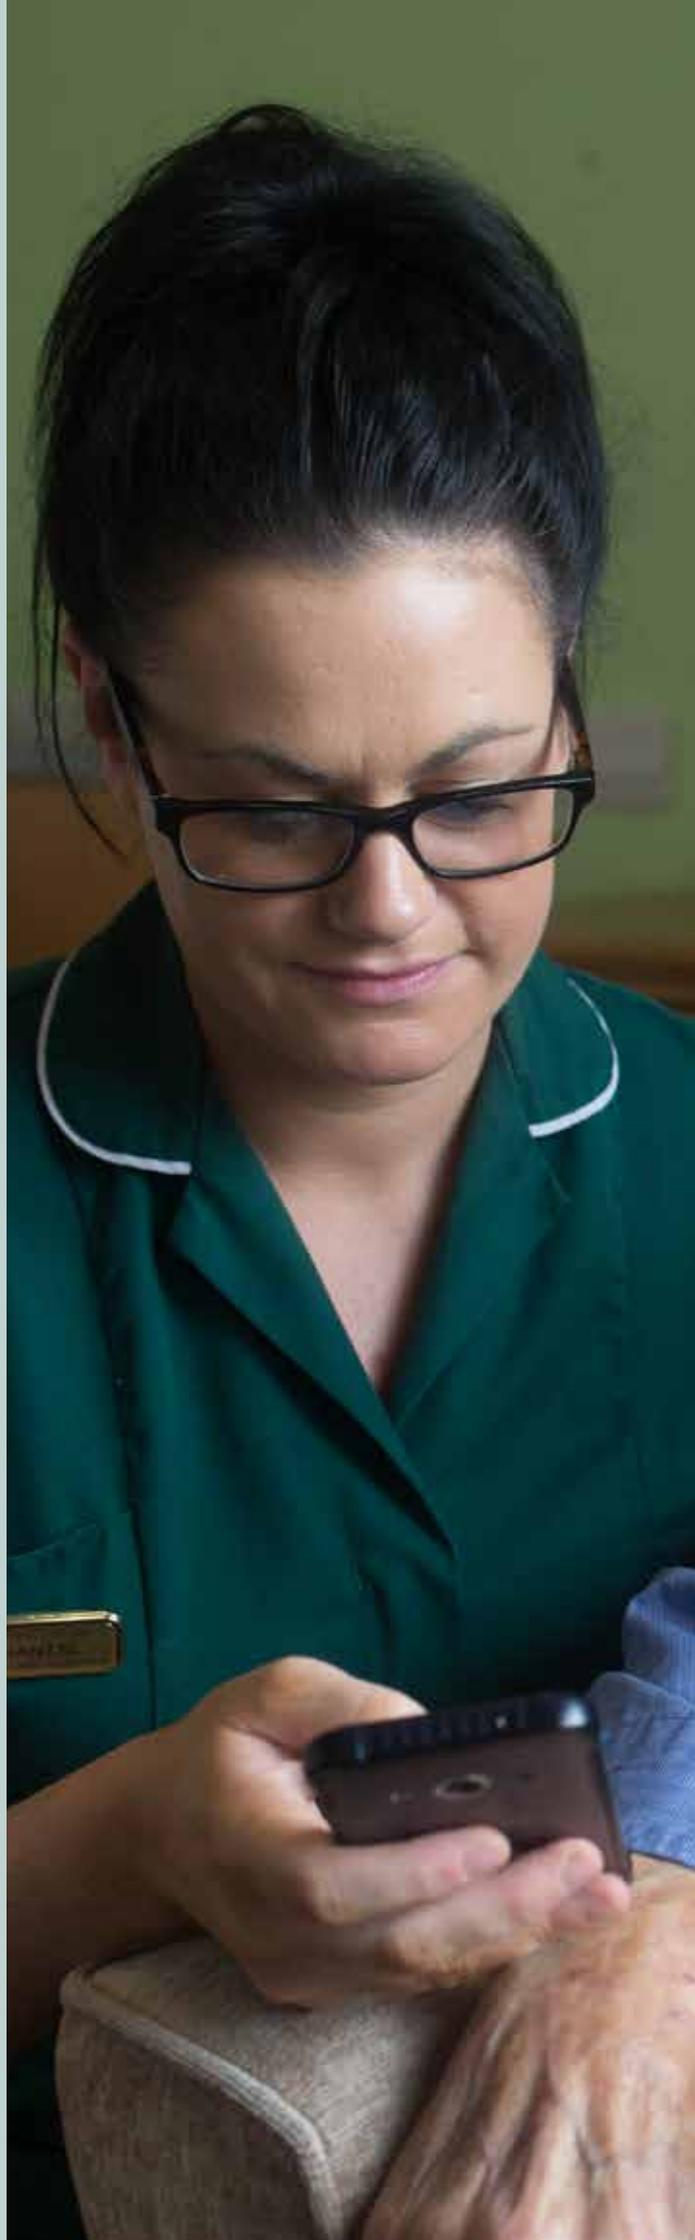

Technology

To support our teams and ensure the wellbeing of residents at all times, we utilise a range of industry-leading technologies at Oaktree Court.

Electronic care and medication management software efficiently records key information at the point of delivery. These innovations allow our teams to spend more quality time with our residents, improve analysis, create alerts and allow information to be shared with loved ones using the secure family portal (subject to consent from the resident).

For the convenience of our residents and visitors, there are direct dial telephones available and Wi-Fi throughout the home. There are also video-calling capabilities so residents can easily chat and see their friends and families.
